Table/Lounge Table:

- Strenth and durability: EN 581-1: 2017, EN 581-3: 2017
- BIFMA X5.5-2014

SPECIFICATIONS

Wood: New wooden, teak furniture has natural colour differences found in the freshly cut wood. Once the furniture has been exposed to the sun, these colour differences will even out. As a natural part of the aging process, the surface of teak will change when first being exposed to rain; this is the first stage of a process of wood that ages with beauty.

Stainless steel: Stainless steel is a light weight, non-plated metal alloy with high corrosion and scratch resistance. Stainless steel is also weather resistant.

WEIGHT

Bench:	7,5 kg / 16.5 lb
Chair:	4,5 kg / 9.9 lb
Armchair:	6,4 kg / 14.1 lb
Lounge Chair:	6,5 kg / 14.3 lb
Table 160:	12,0 kg / 26.5 lb
Lounge Table:	5,5 kg / 12.1 lb

COUNTRY OF ORIGIN

Wood origin: Indonesia

PRE-ASSEMBLED

General: Yes
Table 160: No

PACKAGING

The units are shipped in a recycled cardboard box. All packaging material can be recycled.

CLEANING AND CARE

Find recommendations for cleaning and care at:
fritzhansen.com/maintenance

REPAIR, DISPOSAL AND REUSE

In case of repair and disposal the units can be disassembled into parts. All parts can be recycled. Check local regulations for recycling options and whether there is potential for reuse.

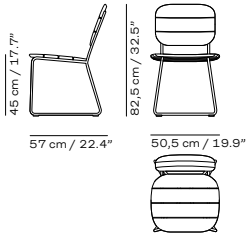

WARRANTY

Fritz Hansen provides a five-year warranty on standard products against defects in materials and workmanship.

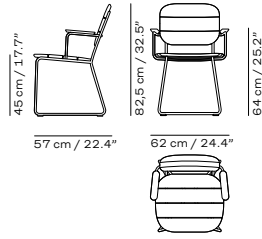

Additional warranty conditions can be found at:

CUSHIONS

DESCRIPTION

The Liliium series has its own cushions that are designed to perfectly fit the seat and backrest for extra softness and comfort. The cushions are made in a textile that is Oeko-Tex®-certified and extremely colourfast, lightfast, water- and dirt repellent and mildew resistant. Neoprene on the backs ensures the cushion stays in place.

IMPORTANT NOTE!

Under current UK law, Fritz Hansen is not able to provide outdoor cushions and pillows with the same filling as the regular collection. We still offer cushions and pillows in an outdoor textile with weatherproof properties, but the filling is not weatherproof due to stringent (indoor) fire regulations. We therefore recommend that you bring cushions and pillows indoors in heavy rain and when they are not in use.

The FR cold foam provides a firm and comfortable seat that retains its shape year after year. The FR cold foam is not weather resistant, and therefore it is recommended to store the cushions indoor when not in use and during heavy downpour. To ensure cushions remain beautiful over time, it is good practice to avoid them being left wet for prolonged periods, e.g., by turning them upright to let water run off or storing them in a dry environment.
