

## Specification Sheet

# Rectangular Coffee Table

Rectangular Coffee Table is low in profile, standing just 30cm from the floor. The cross-shaped leg frame gives a feeling of space by suspending the tabletop along the middle and keeping the corners free.

Each table arrives flat packed and is threaded together piece by piece via a brass screwing mechanism at its centre.

The table is available in two lengths: 60cm, and 115cm. It is made in Europe and is FSC certified.
