Neap Wall Light

Tracing from crest to trough, a single piece of sustainably sourced oak or walnut wood seamlessly intertwines to form an enigmatic wall light. Mirroring the moon's gravitational pull over the tide, the Neap Wall Light's wooden silhouette showcases continuity. The Neap's elegant form carves a perfectly balanced path of light to brighten above and below. An intuitive lighting design that sweeps a soft ambient glow to far corners and suits an array of spaces.

Step into the wave, invigorate your interiors.
